

CENTRAL ACADEMY
INTERNATIONAL SCHOOL,

Dear Parent,

Holidays are the time when you can connect with your child in many ways. As your child's first and most important teacher who can encourage your child's love of learning by participating in different activities at home. Working together will help your child-build confidence and develop skills necessary for his/her education. Here are few interesting activities for summer break,We wish you a wonderful time ahead.

INSTRUCTIONS FOR PARENTS

- Make your child more independent by teaching him/her various activities.
- Be a friend to your child and help him play games like ludo, carrom board, and scrabble.
- Develop motor skills- Let your child indulge in activities like mashing potatoes, rolling chapattis, clay moldings, shelling out peas etc. These activities will help in making their motor skills strong.
- Take your child for a morning walk. Count trees, cars, stones, flowers etc while going for a walk.
- Sharpen memory- Put a few things on a tray. Show the tray to child for a while and then cover the tray and let the child think and name the things which were on the tray.
- Converse with your child in English. Let's encourage the children to use simple words, phrases and sentences like:

• May I get in?
• May I drink water?
• I am feeling hungry.
• Please help me to do the work.
• Please give me a glass of water.
• Mom, please give me something to eat.
