Walk a little slower, Daddy" Said a little child so small I'm following your footsteps and I don't want to fall.

Sometimes your steps are very fast
sometimes they are hard to see
so walk a little slower, Daddy,
For you are leading me.

Someday when I'm all grown up
you're what I want to be.
Then I will have a little child
Who'll want to follow me?

And I will want to leave just right
And no that I'm true.
So walk a little slower,
Daddy, for I must follow
you!

Its Summer Time

School vacation has begun,
Time for children to play,
and have fun in the sun.

Now the children are out of the school,
there are trees to climb,
swimming in the pool.

Time to spend with special friends,
Seems they're on the go until the day's end.
But when summer vacations finally through,
It's time to hit the books and return to school.

Dear Parents,

Long summer break is the most enviable part of school life! It provides time for rest and leisure. This is the time when you will get an opportunity to spend quality time with your child. Holidays are great, but schoolwork can be fun filled and inspiring too! As the school closes for the summer break we have planned some activities/ worksheets for your child to enhance his/her learning skills in a fun filled way. We have tried to make the work enjoyable keeping in mind the interest of the children. Space out the work and child will enjoy doing it. How independent can I become? Make your child more independent by teaching him or her various activities like

- Buttoning and unbuttoning the shirt.
 - Folding mats and clothes.
 - Learning to wear shoes and socks.
 - Learning how to zip their school bag and their uniform.(shorts)
 - After eating, keeping his/her plate in the kitchen.
 - Watering the plants.
 - GoodMannersandgoodhabitsarelifelongassetsandtheyshouldbepRACTICEDuntiltheybecome habit. Revise the four magical words; PLEASE, SORRY, THANK YOU, EXCUSE ME which we have learned as the part of basics of good manners. Make these four words a habit and see the difference.
- HYGIENE**
- Brush your teeth twice a day.
 - Trim your nails regularly.
 - Take a bath everyday
 - Wash your hands before and after meals
 - Switch off lights/ fans/ T.V when you do not require them.
 - Save water by closing the taps after use.
 - Keep your surrounding and environment clean.
 - Do not throw anything out of the window, car or balcony. It's

Important that your child learns to converse in English.
